1108-53-482 **Shihshu Walter Wei*** (`wwei@ou.edu`), Department of Mathematics, The University of Oklahoma, Norman, OK 73019. *Multiply warp product manifolds and slant submanifolds.*

We'll discuss multiply warp product manifolds and their warped functions. Some study on slant submanifolds of Kähler manifolds via p-harmonic morphisms will also be made. (Received January 19, 2015)
