1176-22-286   **Ian Biringer*** (`ianbiringer@gmail.com`), **Nir Lazarovich** and **Arielle Leitner**. *The space of subgroups of PSL(2,R).*

We'll discuss the space of all closed subgroups of PSL2R, equipped with the Chabauty topology. Highlights will include a discussion of the topology of the closure of the space of lattices of a fixed isomorphism type. Joint with Nir Lazarovich and Arielle Leitner (Received January 25, 2022)
